

# 5 Years Time - NOAH AND THE WHALE

C<sub>2</sub> F<sub>2</sub> G<sub>2</sub> F<sub>2</sub>

          C      F          G      F  
Oh well in five years time we could be walking round a zoo  
          C      F      G      F  
With the sun shining down over me and you  
          C      F          G      F  
And there'll be love in the bodies of the elephants too  
          C      F          G      F  
And I'll put my hands over your eyes, but you'll peep through

Chorus:

          C      F  
And there'll be sun sun sun  
G      F  
All over our bodies  
          C      F  
And sun sun sun  
G      F  
All down our necks  
          C      F  
And sun sun sun  
G      F  
All over our faces  
          C      F  
And sun sun sun  
G      F  
So what the heck

Verse 2:

Cause I'll be laughing at all your silly little jokes  
And we'll be laughing about how we used to smoke  
All those stupid little cigarettes  
And drink stupid wine  
Cause it's what we needed to have a good time
